

RED LEDGES' WELLNESS CENTER RECOGNIZED AS BEST IN THE COUNTRY

JANUARY 31, 2024

HEBER CITY, UTAH – Red Ledges' beautiful new Wellness Center has been named '2024 Amenity of the Year' by *Golf Inc.* magazine. The award-winning community's impeccably designed Wellness Center in Heber City, Utah is featured in the January/February issue of *Golf Inc.*, the world's only magazine for golf course developers, owners and management company executives.

Designed by Z Design Group, with interior design by Clay Pryor Interiors, the goal of the Wellness Center was to create a delightful and memorable experience for current and future users. Z Design Group took full advantage of the spectacular views by installing large windows and elevated patios. A warm color pallet blends with stone and oxidized metal to evoke the feeling of the red rocks so prevalent in the area. The new Wellness Center has a dedicated cardio and strength space and a movement studio for a variety of classes and boot camps.

"We could not be prouder of the architecture, design and function of this amazing new amenity that was created by our team of inspired partners," said Red Ledges' General Manager John Johnson. "Red Ledges has worked hard over many years to become a place our members enjoy every day, and this new facility will undoubtedly add years of health and enjoyment to their lives."

Amenity of the Year entries were judged on efficiency, aesthetics and financial impact. As

competition judge Bryan Woodward stated about Red Ledges' Wellness Center, "Mountain modern design blends in harmony with existing club amenities. Large panoramic views of the surrounding terrain mix in well with the comfortable but sophisticated design. Record visits show the alignment of member needs and will result in more growth."

In 2021, *Golf Inc.* named Red Ledges Village Center pool complex, with its 144-foot water slide, playground, lap-swimming lanes, lawn games, and poolside bar and grill, as the Amenity of the Year in the aquatics category.

Established in October 2007 by community founders Tony Burns and Nolan Archibald, Red Ledges has become a premier Rocky Mountain private resort, golf and tennis community. Red Ledges features spectacular scenery and mountain living in relaxed luxury, minutes from Park City, Utah. With world-class amenities for every season, Red Ledges offers an award-winning Jack Nicklaus Signature Golf Course and first-of-its kind family-friendly Golf Park, tennis and pickleball programming, an active member ski club, and an equestrian center. The luxurious clubhouse features a full-service restaurant and bar, signature sports shop, fitness club, and pool.

Red Ledges' club operations are managed by Troon Privé, the private club operations division of Troon. For more information on Red Ledges, visit www.redledges.com.
